If you purchased your Pipedream bicycle outside Europe, the specific warranty will be governed by the law of the country in which it was purchased. Pipedream warrants to the original owner of this new Pipedream bicycle frame that the frame shall be free of defective materials and/or workmanship as follows:

- (5) For Pipedream Aluminium bicycle frames, for 2 years from the date of purchase to the original owner; for Pipedream Scandium alloy bicycle frames, for 1 year from the date of purchase to the original owner.

This does not mean that these frames are indestructible and will last forever. It simply means that these frames are covered under the specific terms of this limited warranty.

### Important Note:

To the extent allowed by law, this limited warranty is not effective unless you are the original owner and you complete and send to Pipedream within 14 days of the date of purchase the Pipedream Bicycle Frame Registration Card. This limited warranty is not transferable.
